

StageAgent for Schools is an online platform to explore plays, study theatre history and practice, find teaching materials, and learn about the theatre industry.

LESSON PLANS

Find lesson plans for theatre that are appropriate for a variety of student age levels, with content aligned to State and National Standards.

SHOW RESEARCH

Explore detailed guides for over 2,400 plays, musicals and operas with plot analyses, character breakdowns and video examples.

AUDITION PREPARATION

Enjoy access to hundreds of monologue, scene and song analyses. Perfect for practice or audition preparation!

LEARNING MODULES

Study the history and practice of theatre with expert learning modules covering topics such as audition preparation, diversity & inclusion, playwriting, theatre history and world theatre.

PARTICIPATION OPPORTUNITIES

Discover local theatre companies and audition opportunities. Research college theatre programs.

CLASS MANAGEMENT

Set content filters and customize the viewing experience. Assign lessons, reading list items and quizzes for a more interactive student experience.
